

Hello to everyone from Team Woodredon!

Welcome to the first edition of our monthly Newsletter that will be bringing you up to date information on all of the special activities that we've got planned throughout the year. We'll be bringing you reports on what you've been taking part in. There'll also be general yard chit chat, competition results and news of our riders' achievements. We'll also be keeping a close eye on what our instructors are up to with their own horses

Easter Holidays was very successful! The Beginner Intensive courses went very well with most riders moving up a grade with either coming off the lead rein or moving up to the Intermediate regular groups. The Own A Pony Mornings and Days were all full and the ponies looked beautifully turned out after hours of pampering!
